Dear Mr. Huckaby:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report discloses receipts totalling \$40,000 from the 1995 Republican Senate - House Dinner Committee, which is a joint fundraising committee affiliated with your committee. Please be advised that a memo Schedule A must be provided to itemize your committee's share of the gross contributions received through the joint fundraiser. The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the calendar year, and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. 11 CFR §102.17(c)(8)(i)(B)

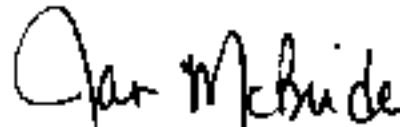

-Schedule H4 discloses a disbursement(s) for the H5RT fundraising event(s) which appears to be using a ratio(s) inconsistent with those disclosed on Schedule H2. Please amend your report to clarify this apparent discrepancy.

-Schedules H2 and H4 disclose disbursements for a fundraising event which is reported to be 100% federal. Events which are not Allocable should be reported on a Schedule B, supporting Line 21(b) of the Detailed Summary Page.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.
